(a) & (b): Health is a State subject and no such information is maintained centrally.

However, as far as Central Government Hospitals in Delhi viz. Safdarjung Hospital, Dr. RML Hospital and Lady Hardinge Medical College and Associated Hospitals are concerned, there are no reports of major fire incidents in Safdarjung and LHMC & Associated Hospitals. However, two fire incidents took place in (i) New OT on 20.8.2016 and (ii) Microbiology Department on 24.1.2017 in Dr. RML Hospital. No loss of life has been reported due to these fire incidents.

(c) & (d): Laser templator meter has been installed in recently renovated auditorium in LHMC and Associated Hospitals.

LHMC and Associated Hospitals has taken various steps in which illegally occupied 85 block quarters were freed from unauthorized occupants.
